4. Cable Forms [REDACTED] - Offset Cable Forms 12, 12a and 12a-1 have recently been revised and procurement action initiated. Initial supplies are due in by 15 December 1956.

5. Funding of Agency Forms - Mr. [REDACTED] of Logistics advises that funds for Agency forms have been cut by the Comptroller to about \$150,000.00 for FY57. Over $\frac{1}{2}$ (about \$79,000.00) has already been committed during the first four months of this year. Unless additional funds can be made available considerable difficulties in forms procurement can be expected in the last half of the Fiscal Year.
